If, following inspection and validation that your floor has been installed and maintained as specified, it is shown that part or the entire floor is faulty, the Company will provide a replacement of the same or similar material up to the equivalent of the residual value of the Warranty.

This warranty covers replacement of the material only.

- That the Luvanto Click Plus Flooring has been regularly cleaned and maintained, using only the Luvanto Floor Care Kit and other approved cleaning appliances.
- For each successive year after installation, the contribution towards replacement of the Luvanto Click Plus Flooring is limited to the proportion of the time left on the Warranty. (For example, after 10 years, 60% of the value would be replaced free of charge for a domestic installation.)
